What was your motivation to become a PGA Professional?

I loved being around golf and working at a golf course. Nothing better than walking right onto a golf course.

What is your specialty in the golf business?

I thoroughly enjoy teaching and running tournaments.

Please list any accomplishments (Awards, Certifications, and Tournaments.)

Received the Level 2 & 3 Titleist-Footjoy Scholarships for the Colorado Section in the GPTP education.

What was your greatest moment in golf?

Not one particular moment, but being able to play great courses like Torrey Pines, Cherry Hills, Castle Pines, the Bridges, etc. with friends and family is always a great thrill.

What or who has had the greatest impact on your career?

My Director of Golf, Ken Anderson has been a great mentor and friend.

Besides golf, what else do you enjoy?

I played college basketball so naturally I still love to be around it and follow it religiously but my biggest passions my family.

If you could play any golf course in the world, which one would it be and who would complete your foursome?

Augusta National with my brother, father and son.

If you could give lessons to anyone in the world who would it be and what advice would you give?

To my children and my advice would be to not take yourself too seriously on the golf course. Enjoy the good shots and laugh at the bad ones.

What is your favorite golf instruction tip?

The most important fundamental to be taught is the grip. Show me a player with a good grip and he/she can be a great player.
