

# Colorado PGA Teacher of the Year Award

This award bestows special recognition on a Colorado PGA Professional for excellence in golf instruction, along with overall performance. While the candidate's entire record should be taken into consideration, emphasis should be placed on a member's performance over the past three years. Promotion of golf, use of teaching aids, involvement in junior golf activities, teaching techniques, service to the Section as a volunteer instructor at Section clinics and Play Golf America Days and articles published are some of the criteria considered for this award.
