In cases of emergency, written requests for full refunds may be submitted to the Tournament Committee within five (5) business days of the start of the event. These requests will be considered separately on their own merits.

Section 3 – Starting Field

The starting field in all Colorado Section PGA Pro-Amateur events shall be set by the Tournament Committee and approved by the Board of Directors. Should eligible entry applications exceed the defined maximum starting field at the time of the stated entry deadline, the following entry priority shall take effect:

1. All eligible entry applications received prior to the stated entry deadline and otherwise eligible on the basis of the earliest received up to the maximum field size;
2. Entry applications received beyond the maximum field size shall be placed on an alternate list on the basis of earliest receipt.

Section 4 – Arrangement of Groupings

The starting field at all Pro-Amateur events shall be arranged at lot. Entry applications posted via the Section website will from time-to-time have the opportunity to select a preferred starting hole for shotgun starts.

Section 5 – Discontinuance of Play

- A. The policy for discontinuance of play will be consistent with Rule 6-8 of the USGA Rules of Golf.
- B. The PGA representative in charge, after consultation with the Committee, has the authority to order discontinuance of play due to weather conditions. The decision to resume play, postpone any part of it or cancel play entirely rests with the official in charge, again after appropriate consultation. NOTE: When serving on the Committee, no member may be a competitor in the event.
- C. The following guidelines are for use by the PGA representative in charge if play is discontinued before the field has completed play:
 - a. For one round events, if 50% or more of the field has completed play, and it is unfeasible for others to do so on that day, the tournament payout shall be re-figured on the basis of the number completing play. Those participants unable to complete play shall be deemed non-competitors and will be refunded the portion of the entry fee designated into the prize fund and administration fee. If less than 50% of the field has completed play, the event shall be postponed, cancelled and/or rescheduled. A one round event shall not be reduced to less than 18 holes if play is not completed.
 - b. Under no circumstances will play continue past the last scheduled day of the competition.

Section 6 – Policy Regarding Ties

- A. In Pro-Amateur events, should two or more professionals/teams tie for any position, including first place, those posting the same score shall share equally in the total purse allotted for the number of tied positions.
- B. If more professionals/teams were tied for a position so that an equal distribution would result in a payout of less than \$10.00, a match of cards would resolve the positions of those tied until all tied positions are so determined. The match of cards procedure will be consistent with the USGA preferred procedure (holes 10-18, holes 13-18, holes 16-18, hole 18, hole-by-hole starting at hole 1). EXAMPLE: If six tie for ninth position in an event where 10 places are to be paid, and adding ninth and tenth place money together and

dividing by six, the payout will result in awards of \$8.50 each (which is less than the \$10.00 minimum), a match of cards among those six would determine which two were winners, and they would share equally ninth and tenth place money.

Section 7 – Prize Fund Distribution

- A. The total prize fund for distribution shall be equal to \$190.00 per team entered plus added sponsor money.
- B. The total prize fund shall be distributed in two divisions respectfully, Low Professional and Low Team.
- C. The Low Professional prize fund shall be equal to \$80.00 per professional entered plus 50% of the added sponsor money.
- D. The Low Team prize fund shall be equal to \$110.00 per team entered plus 50% of the added sponsor money.
- E. The prize fund in each division shall be distributed to no less than 40% of the starting field in each division. Each finishing position will be assigned a specific percentage of the division prize fund based on Appendix I. If not covered by Appendix I, the Tournament Committee shall approve the purse.
- F. Women professionals shall compete for the same purse as men. A separate set of tees shall be provided for women professionals set at no more than 85% and no less than 70% of the total men's tee yardage.
- G. Super Senior professionals (those age 60 and over as of the date of the first round on the event) shall compete for the same purse as men and women. White stakes should define boundaries no more than 30 yards apart and with a clear line of sight at ground level between stake to stake. Water hazards and lateral water hazards should be defined with the appropriate color paint on the ground and supplemented with appropriate color stakes for identification.
- D. Prepare a Rules of Play sheet and provide it to the PGA official in charge at least fourteen (14) days prior to the scheduled event date.
- E. Set-up course for the competition to include the placement of tee markers and location of holes. Amateur competitors should play from a USGA Rated Tee Markers. Hole locations should provide a challenging test with playability, fairness, and enjoyment top priorities (locations should be generally flat in an area twenty-four (24) inches around the desired location).
- F. Ensure availability of an adequate number of golf cars to accommodate two (2) cars per grouping with two (2) additional for use by the Rules Committee.

- G. Maintain a list of amateur winners, as all amateur prizes will be paid to the host facility.
- H. Provide at minimum of one staff member to assist the CPGA official in charge with the administration of the event.

Section 9 – Amateur Handicaps

- A. Amateur participants must have a current USGA handicap certified and/or verified by a regional golf association. Without such verification, the amateur participant shall play at scratch.
- B. Due to seasonal Handicap revision cycles, amateurs may use the verified handicap in effect at the end of the previous season until May 1.
Following May 1, handicaps must be current or the amateur shall play at scratch.
- C. In Pro-Amateur events, amateur handicaps shall be reduced to 80% of value with a maximum allowance of 24 strokes.

Section 10 – Scorecard Requirements

- A. The professional contestant is responsible for maintaining the scorecard for the team. He shall enter the gross score of each amateur. The scorecard shall be signed by the professional and attested by one of the amateur team members. Penalties for violations shall be consistent with other scoring violations as determined by the USGA Rules of Golf. Changes or corrections to the scorecard should be initialed by the professional and attested by an amateur partner.
- B. It is the competing professional's responsibility to examine the official scorecard for accuracy prior to the round. Any inaccuracies, including the allotment of handicap strokes, shall be reported to the CPGA official in charge.

Section 11 – Pace of Play

- A. In Pro-Amateur events, a round should be completed in 4:30 (allowing an average of 15 minutes per hole).
- B. If a group is not maintaining this pace, and there is clearly one complete open hole ahead of them, the group is expected to regain its position.
- C. For groupings not maintaining pace and not in position, any amateur competitor unable to assist the team on a hole shall be required to pick up his ball. This procedure is required until such time as the group regains its position and is on the stated pace.
- D. If it is clear that a group is failing to maintain its proper position, and is not making an effort to regain its proper position, the CPGA official in charge may impose a two-stroke penalty to all players in the group. The penalty shall be recorded on the hole in which the group is notified that the penalty is imposed.

Additionally, Each Team will pay a \$5 fee per event to cover the Registration fees the Section incurs for Blue Golf.
- B. Pro-amateur entries posted through the Colorado Section PGA website using a credit card for payment will be charged an entry fee deposit \$60 at the time of registration with the remainder of the entry fee charged to the designated credit card no more than 96 hours and no less than 72 hours prior to the first scheduled starting time for the event. Entries posted via any other avenue (i.e. mail, fax, call-in) shall be paid in full at the time of registration. Any entry not paid in full 72 hours prior to the first scheduled starting time shall be rejected and placed on an alternate list with the lowest priority.

- D. Refunds will be granted in the amount of the entry fee, less a \$25.00 administration fee for any cancellation made following the stated entry deadline and prior to forty-eight (48) hours from the start of the event. The start of the event is defined as the time of the event's first scheduled starting time.

- F. Cancellations shall be submitted to the Section office and/or the Section official in charge of the event.

In cases of emergency, written requests for full refunds may be submitted to the Tournament Committee within five (5) business days of the start of the event. These requests will be considered separately on their own merits.

Section 3 - Starting Field

The starting field in all Colorado Section PGA Pro-Amateur events shall be set by the Tournament Committee and approved by the Board of Directors. Should eligible entry applications exceed the defined maximum starting field at the time of the stated entry deadline, the following entry priority shall take effect:

1. All eligible entry applications received prior to the stated entry deadline and otherwise eligible on the basis of the earliest received up to the maximum field size;
2. Entry applications received beyond the maximum field size shall be placed on an alternate list on the basis of earliest receipt.

Section 4 - Arrangement of Groupings

The starting field at all Pro-Amateur events shall be arranged at lot. Entry applications posted via the Section website will from time-to-time have the opportunity to select a preferred starting hole for shotgun starts.

Section 5 - Discontinuance of Play

- A. The policy for discontinuance of play will be consistent with Rule 6-8 of the USGA Rules of Golf.
- B. The PGA representative in charge, after consultation with the Committee, has the authority to order discontinuance of play due to weather conditions. The decision to resume play, postpone any part of it or cancel play entirely rests with the official in charge, again after appropriate consultation. Those participants unable to complete play shall be deemed non-competitors and will be refunded the portion of the entry fee designated into the prize fund and administration fee. If less than 50% of the field has completed play, the event shall be postponed, cancelled and/or rescheduled. A one round event shall not be reduced to less than 18 holes if play is not completed.
 - ii. Under no circumstances will play continue past the last scheduled day of the competition.

Section 6 – Policy Regarding Ties

- A. In Pro-Amateur events, should two or more professionals/teams tie for any position, including first place, those posting the same score shall share equally in the total purse allotted for the number of tied positions.

If more professionals/teams were tied for a position so that an equal distribution would result in a payout of less than \$10.00, a match of cards would resolve the positions of those tied until all tied positions are so determined. The match of cards procedure will be consistent with the USGA preferred procedure (holes 10-18, holes 13-18, holes 16-18, hole 18, hole-by-hole starting at hole 1).
EXAMPLE: If six tie for ninth position in an event where 10 places are to be paid, and adding ninth and tenth place money together and dividing by six, the payout will result in awards of \$8.50 each (which is less than the \$10.00 minimum), a match of cards among those six would determine which two were winners, and they would share equally ninth and tenth place money.

Section 7 – Prize Fund Distribution

- A. The total prize fund for distribution shall be equal to \$225.00 per team entered plus added sponsor money.
- B. The total prize fund shall be distributed in two divisions respectfully, Low Professional and Low Team.

- C. In Pro-Amateur events, amateur handicaps shall be reduced to 70% of value with a maximum allowance of 24 strokes for men and 36 for ladies.

Section 10 – Scorecard Requirements

- A. The professional contestant is responsible for maintaining the scorecard for the team. He shall enter the gross score of each amateur. Changes or corrections to the scorecard should be initialed by the professional and attested by an amateur partner.
- B. It is the competing professional's responsibility to examine the official scorecard for accuracy prior to the round. Any inaccuracies, including the allotment of handicap strokes, shall be reported to the CPGA official in charge.

- D. If it is clear that a group is failing to maintain its proper position, and is not making an effort to regain its proper position, the CPGA official in charge may impose a two-stroke penalty to all players in the group. The penalty shall be recorded on the hole in which the group is notified that the penalty is imposed.
